

A phone solution for  
people who are deaf or  
have a hearing or  
speech impairment

Name

Phone

I use my own voice       I use a voice output device

- Privacy of relay calls is protected by law.
- Relay calls cost about the same as a local call.

**Turn over to find out how to call me through the NRS**

# How to call me

1. Dial **1300 555 727**.
2. Wait for a relay officer to come on the line.
3. Tell them my area code and phone number (see over).
4. Talk directly to me as usual.
5. The relay officer will help if you can't understand what I say.

Please note in your records that I can only be contacted by phone through the NRS.
